Sir:

Pursuant to 37 CFR §§ 1.56 and 1.97(b), Applicant brings to the attention of the Examiner the documents listed on the attached Form PTO-1449. This Information Disclosure Statement is being filed more than three months after the filing date of the above-referenced application but, to the undersigned's knowledge, before the mailing of a first Office Action on the merits for the application.

Copies of the listed documents are submitted herewith along with Form PTO-1449. Applicant respectfully requests that the Examiner consider the listed documents and evidence that consideration by making appropriate notation on the attached form.

The listed documents were cited in the corresponding European Patent Application No. EP 03023947.9. A copy of the European Search Report is included herewith. The European

Search Report is not a reference, and Applicants do not necessarily subscribe to any of the statements contained therein.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each of the listed documents is material or constitutes "prior art." If it should be determined that any of the listed documents does constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

Applicants believe there is no fee due in connection with this filing. However, if there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 50-1170.

Respectfully submitted,
